Lawful Complaint / Request for Judgment

Notice to Pope Francis , the VATICAN, the Pope's Vicar General, and the CEO of the Pope's Roman Civil Law Courts, request herein by Edward Thomas Kennedy, an American, for the Article 3 Court to order Defendants et alia to discharge their past due debts without delay in lawful money, as defined herein and in the True Bills, attached as evidence(1) and other requests.

Pursuant to my Constitutional Guarantees, I demand an Article 3 Court. Without interest and accruals, the Defendant's current unpaid debt outstanding totals \$100,000,000.00 (one hundred million dollars), as defined herein and as defined in recorded Fee Schedules (5) attached herein as evidence. The Pope's Postmaster is witness to the True Bills delivered, and that evidence is also attached.

Statement and Evidence of Standing to sue

I am an American standing under the Public Law, and demanding my Constitutional guarantees. Lawful evidence of this said political status is recorded as follows:

1. at The United States of America Land Recording System
Recording #: Pa06-2020-2020000012, and Recording #: Pa06-2020-2020000004,

I belong to no parish. I am not a priest. I am not a Papal Knight. I did not attend the University of Notre Dame du Lac Law School in either 1975 or 1977, but I still root for the men's football team.

Defendant COMMONWEALTH OF PENNSYLVANIA is a corporation with no disclosed or known lawful charters to operate and conduct commerce on American land and soil because only living, breathing men and women Assembled may grant said, lawful charters.

Defendant THOMAS W WOLF is titled "GOVERNOR" and Chief Executive Officer.

Defendant JOSHUA D SHAPIRO is a BAR Attorney, Pennsylvania ID: 90101
Defendant MARIA CASEY is a BAR Attorney, Pennsylvania Attorney ID: 57851.
Defendant MARK PACELLA is a BAR Attorney, Pennsylvania Attorney ID: 42214.
Defendant IRENE BIZZOSO is a BAR Attorney, Pennsylvania Attorney ID: 66278.
Defendant VERONICA W. DEGRAFFENREID is Acting Secretary of the Commonwealth.
Defendant CINDY ADAMS DUNN is Secretary, Department of Natural Resources.
Defendant MICHAEL F KRIMMEL is a BAR Attorney, ID: 78501
Defendant THERESA SANTAI GAFFNEY is Probate Court Judge.
All of the male and female persons are my employees.
All of the Defendants are legally dead.

"The COMMONWEALTH OF PENNSYLVANIA Birth Certificate processing is readily exposed in the government publication "Hospitals" & Physicians' Manual on Live Births & Fetal Deaths." The legal language & terms set forth in the manual are clear & convincing evidence of the crime; starting with the term "moving conveyance." Here's the link: https://www.cdc.gov/nchs/data/misc/hb_birth.pdf

Under all jurisdictions, Securitization of human flesh is a jail time crime, and has been a jail time crime for the last 5000 years. Defendants knowingly and intentionally securitized my flesh since 1953 for their own private, personal profit. I am the secured party creditor. I am the employer. It is my credit the Defendants used to finance their crimes without my permission and without meaningful disclosure.

Self-authenticated evidence of securitization of my human flesh crime is COMMONWEALTH OF PENNSYLVANIA DEPARTMENT OF HEALTH VITAL RECORDS document Pennsylvania state file number 197386 - 1953, Date Filed November, 3 1953 titled Certification of Birth, also known as a Birth Certificate, hereinafter as Birth Certificate of "BC".

This said BC record is evidence of crimes committed against me by the defendants and their corporation officers, employees, and agents since 1953 that have been trespassing on Pennsylvania land and soil purportedly to provide me and with essential government services.

The said Birth Certificate issued in my NAME is on funny paper: hard surfaced, durable, heavy paper called "bond paper". This was my first clue that my estate has been seized upon and that bonds--- that is, promissory notes--- have been issued against my name. The next thing that caught my eye is that there are all sorts of seals and blazons and watermarks on this piece of paper. It carries all sorts of emblems from the COMMONWEALTH OF PENNSYLVANIA written in All Capitals. All these seals and watermarks and other gee-gaws serve to identify the "Issuer" of the Birth Certificate, which is the foreign COMMONWEALTH OF PENNSYLVANIA Organization, not me, that identifies my NAME as property belonging to them, which they are issuing bonds against.

The next thing to notice is that my name is spelled out in All Capital Letters, and other words such as ROSE A DISARRO and THOMAS P KENNEDY appear in All Capital Letters. According to the Bar Association Manual and the Government Printing Office and Federal Bureau of Engraving and Black's Law Dictionary and the Chicago Manual of Style, the only things that can be named using All Capital Letters are: (1) Corporations or (2) Dead men's estates. The All Capitals names are a form of Latin called "Dog Latin". So, as I see my name as it appears in All Capitals on that Birth Certificate, I ask the following: Are the Defendants issuing bonds against a Dead Man's Estate? Or against a corporation?

Because my name appears like this: EDWARD THOMAS KENNEDY, the bonds have been issued against my ESTATE on the presumption that I donated it to the COMMONWEALTH OF PENNSYLVANIA Organization.

The fact is that I didn't donate anything and I am not aware of having given permission to bond my estate or any public transmitting utility, either but there is evidence in my hand. Next, who is the Birth Certificate Bond signed by? Answer: The Registrar. The Registrar is an Officer of the Probate Court. The appearance of their signature on "my" Birth Certificate is absolute proof that my property --- whether my ESTATE or my PUBLIC TRANSMITTING UTILITY --- has been probated and seized upon as property belonging to the State of State or STATE OF STATE that issued the Birth Certificate.

Now as I look at the dates on the face of the Birth Certificate, I see my actual birthday and also a file date ---- the "birthdate". These refer to the actual event of my birth, and then, some days, the "filing" of the paperwork to either (1) pronounce "me" dead and create my ESTATE; or (2) to create "my" PUBLIC TRANSMITTING UTILITY. Either way, I arrived first and have first right of recall and ownership, known as a reversionary trust interest in my own Good Name and assets. After all, I am being misrepresented as the "donor" of all these assets and the COMMONWEALTH OF PENNSYLVANIA is claiming to be the beneficiary of my largesse. Having discovered this "mistake" made by my Mother when I was just a baby in my cradle, I have a right to come forward and correct it upon discovery.

What else does the Birth Certificate represent? It is evidence of crime against me and fraud and non-disclosure against my mother. It is evidence of attempting to contract with and to establish an "unconscionable contract" with an infant. An "unconscionable contract" is a contract that literally I am not aware of. And how could I as a little baby be aware of a contract made "for" me when I was only a few days old, by a new Mother who was never given full disclosure about those papers she was signing at the hospital? She couldn't explain to me what she was never given to understand herself, could she? The BC is potent evidence of crime. Because my identity has been stolen, the said Birth Certificate is irrefutable evidence of the facts.
